Ribbon Cutting for FORTUNE Business Transfers & Acquisitions

Louisville, KY – June 2, 2006 – Kirt Jacobs from the Metropolitan Development Authority officially proclaimed May 25, 2006 as FORTUNE Business Transfers & Acquisitions Ribbon Cutting Day on behalf of the Mayor’s Office. The ceremony was held to honor the rebranding launch of FORTUNE, formerly Sunbelt Business Advisors.

Leaders from Greater Louisville Inc, the Chamber Jeffersontown and the Southern Indiana Chamber were on hand to add their support. “We value the contribution that FORTUNE Business Transfers & Acquisitions makes to our business community and we congratulate them on their achievements,” stated Joe Reagan, President of GLI.

FORTUNE has successfully assisted in the transfer of a variety of businesses in the metro Louisville area, often attracting investors from out-of-state that are interested in acquiring these businesses. “Helping owners increase the market value of their businesses, planning for their successors, and eventually transferring these businesses to family members, employees or third parties is our area of expertise,” stated Brian S. Mazar, President / CEO of FORTUNE.
